|                                    |                         |                                      |                                |         |
|                                    |                         |                                      |                                |         |
|                                    |                         |                                      |                                |         |
|                                    |                         |                                      |                                |         |
|                                    |                         |                                      |                                |         |
|                                    |                         |                                      |                                |         |
|                                    |                         |                                      |                                |         |
|                                    |                         |                                      |                                |         |
|                                    |                         |                                      |                                |         |
|                                    |                         |                                      |                                |         |
|                                    |                         |                                      |                                |         |

\*NOTES: 1) "Taxi-weight" means the maximum structural design weight limits of the aircraft as shown in:-  
(a) the aircraft model type certificate data sheet; or  
(b) the manufacturer's approved flight manual.

2) **Certified true copy of the Certificate or Manual must be submitted together with this declaration to support the particulars declared above.**

I HEREBY DECLARE THAT THE ABOVE LISTED PARTICULARS AND THE ATTACHED COPIES OF THE CERTIFICATE / MANUAL ARE TRUE AND CORRECT.
