To Airport Staff and Partners

### **OBSERVANCE OF FIRE SAFETY DURING FESTIVAL PRAYERS FOR THE SEVENTH MONTH OF THE LUNAR CALENDAR**

As the Seventh Month Festival approaches, we wish to take this opportunity to remind adherents that there shall be no indiscriminate and unattended burning of joss sticks, incense paper, oils, candles etc within Changi Airport, particularly **within buildings and at the airside**. The burning of these items poses as a potential ignition source and may cause fires.

2. You are therefore requested to observe the following fire safety measures:
  - i) Burning is strictly prohibited within buildings and at the airside;
  - ii) Burning at the landside shall only be done from **21 August 2017 to 20 September 2017** at the **five** designated areas as shown in the Annex A;
  - iii) Burning of the incense paper shall be carried out using a non- combustible container provided with a cover; and
  - iv) Fire extinguishers shall be provided at the burning sites.
  
3. For future clarifications, you may contact the Airport Emergency Service Fire Prevention Section (AES FPS) at **65412535** or at **fire.safety@changiairport.com**.
